## EU SCHOLARSHIPS FOR 2023-2025 AT UWC

The EU is providing 16 Cypriot students with scholarships to study at UWC Adriatic, UWC Maastricht, UWC Mostar or UWC Robert Bosch College from 2023 to 2025.

The EU Scholarship Programme aims to contribute to building a bridge of mutual understanding between Cypriot communities.

The programme is applicable for grade 11 and 12 students to study the International Baccalaureate Diploma Programme.

### HOW TO APPLY FOR THE 2023-2025 UWC SCHOLARSHIPS

Scholarships will be available for students to attend a UWC school until 2025.

Cypriot secondary school students born between 2006 and 2007 can apply to attend the final 2 years of high school.

**Deadline for applications:  
31 January 2023**

### Deren, UWC Mostar graduate 2022

My time in a place like UWC, where one is valued for their individual capabilities and not just for what they provide academically, was a period with much hardship that made way for intense personal growth. I am sincerely grateful for this eye-opening experience provided to us by the Scholarship Programme from the European Commission. This also allowed for us, the Cypriot youth, to experience each other to the fullest. We realised that we are a single community that takes pride when embracing our unique culture from the heart of the Mediterranean.

### Iliada, UWC Mostar graduate 2022

I am so grateful I had the opportunity to live in an environment with people from diverse backgrounds and ideologies. The values I got from UWC Mostar are something I will forever hold in me everywhere I go.

### Irmak, UWC Mostar graduate 2022

My life has changed completely both because of the challenges I faced that helped me understand myself on a deeper level and because of the beautiful memories that I will keep with me forever.

### SHORT COURSES

A UWC short course is a two-week educational programme for passionate youth that want to make a change in their life and the world. Our short courses offer everything that makes the UWC school experience unique, but without the academic programme.

UWC short courses are a transformational opportunity to spread the UWC mission and values even further. You'll experience the opportunity to:

- Pursue a passion to progress global peace and sustainability;
- Develop your leadership and change-maker skills;
- Meet and collaborate with an international group of like-minded participants.

### UWC Short Course in Kornos, Cyprus, summer 2022

It was a perfect experience! It was so busy but at the same time so fun. I also loved it because I learned so many things without even realising it. I was impressed because the participants were really informed of all our communities' issues and wanted to make a change. Thank you for all the determination and motivation you gave us to become change makers and create a better future for us and for the following generations.

### YOUTH ENGAGEMENT ACTIVITIES

Our series of youth engagement activities aim to engage young Cypriots in a purposeful manner with a cultural, community service or sustainability focus.

### UWC Youth Engagement Activity 'Youth re-designing public spaces', June 2022.

I really enjoyed this workshop!! It was really creative and fun!! It was very nice to meet everyone in person and make friends!

## WE EDUCATE TOMORROW'S CHANGEMAKERS

UWC is a global family of schools that share the goal of working towards peace and sustainability. Join students from around the world. Live and study with people of different cultures and backgrounds.
